

Short Course in Advanced First Aid

HLTAID009 Provide Cardiopulmonary Resuscitation

HLTAID010 Provide Basic Emergency Life Support

HLTAID011 Provide First Aid

HLTAID014 Provide Advanced First Aid

Course Overview

This course applies to personnel who may be required to provide, coordinate and manage a first aid response across a range of complex situations in workplace or community settings. Participants will gain the skills and knowledge required to provide an advanced first aid response in the event of an emergency, including the management of multiple casualties and coordination with emergency services.

Duration

This is a blended course with self-paced e-Learning and face-to-face training and assessment. Before attending for face-to-face, students will need to complete their e-Learning.

eLearning | 6 hours

Face to Face Assessment | 8 Hours

Course Content

This course covers the provision of advanced first aid response, life support, management of casualties, incidents and other first aiders until the arrival of medical or other assistance.

Topics Include:

- Assessing and monitoring casualties, including vital signs
- Cardiopulmonary resuscitation (CPR) techniques
- Safe use of an Automated External Defibrillator (AED)
- Management of the unconscious casualty
- Medical conditions including asthma, anaphylaxis, diabetes, stroke and seizures
- Infection control and treatment of minor wounds
- Control of major external bleeding and shock
- Hyperthermia and hypothermia
- Envenomation and poisoning
- Substance abuse (drugs and alcohol)
- Eye and soft tissue injuries
- Burns, fractures and other traumatic injuries
- Head, neck and spinal injuries
- Coordinating first aid activities and resources
- Triage and management of multiple casualties
- Communication with emergency services
- Verbal and written incident reporting
- Legislative requirements relating to first aid
- Evaluation and review of critical incidents
- Psychological impacts of first aid incidents

Short Course in Advanced First Aid

Assessment Methods

Online theory assessments and face-to-face practical assessment.

Note: the provision of Adult and Child CPR must be demonstrated on the floor.

Course Materials

Training is supported through the provision of quality learning materials and resources.

Students undertaking this short course should wear comfortable, casual clothing. This course will include activities such as bending, kneeling and lying on the floor. Students will also require access to a computer or tablet with internet connection to complete the theory component of the course.

Enrolment

A learner's position on the course will only be confirmed upon a completed enrolment form and the payment of your course fee.

Numbers are limited, so confirmed enrolments will only be able to attend on the day of training.

Responsibility for Training

Vital Skills Training is responsible under the National Vocational Education and Training Regulator Act 2011 for the quality of the training and assessment being delivered

in this course and for the issuance of all AQF certificates. Please refer to the Student Handbook for further information on all student rights and obligations including complaints and appeals.

Recognition of Prior Learning and Credit Transfer

A learner is able to apply for Recognition of Prior Learning or Credit Transfer for courses at Vital Skills Training provided this is in line with the RPL and Credit Transfer Policies. Students cannot credit transfer an entire course.

Certification

A nationally recognised Statement of Attainment will be issued to all successful participants including the following units of competency:

HLTAID009 Provide Cardiopulmonary Resuscitation

HLTAID010 Provide Basic Emergency Life Support
HLTAID011 Provide First Aid

HLTAID014 Provide Advanced First Aid

Learner Support

This course requires Language, literacy and numeracy (LLN) skills to interpret work instructions, complete online theory and record work outcomes. If you believe you do not possess the requisite LLN requirements for this course please refer to the Learner Support Services Policy or discuss your needs with our friendly team.

National Recognition

On successfully completing the training and assessment you will be issued a Statement of Attainment for the relevant units of competency.

These units of competence are nationally recognised and provide individuals with a valuable outcome that is recognised throughout Australia.

Work Placement

There is no requirement for work placement in this course.

Workshop Attendance

There is a compulsory face-to-face workshop component of this course. Students must attend a face-to-face assessment to be assessed in practical aspects of the course curriculum.
